

Designed to endure the most challenging conditions, our products give an important edge to the packaging industry and provide an innovative solution for both storing and transportation. Maintaining a large stock in our warehouse, we are ready to fulfill urgent requests in a short amount of time.

## 28 years of Experience

We, Arpa Inc, pride ourselves on being a solution-driven company that believes in assuring and delivering quality through innovation.

This pride is backed by our 28 years of experience as suppliers of premium quality products and services at competitive prices.
